

**We may only get a few days of Winter a Year,  
It can still be destructive  
Remember the 4 Ps!**

**PEOPLE**

**Elderly, Children, and those with certain medical conditions can be more susceptible to cold injuries**

**Make sure pets have shelter against the cold**

**Be sure to drip your faucets**

**Wrap your exposed outdoor pipes and cover faucets**

**Protect plants and tender vegetation  
Don't lose all that hard work!!**

**Prevent Costly Repairs!!**
